The undersigned, being the stud holder and the mare holder, have agreed to have the above-mentioned mare covered by the above-mentioned stallion. The stud holder will ensure proper stud administration and will provide the mare holder with a stud certificate. The studbook must be received by the studbook secretariat no later than October 1 of the current year. A penalty for late submission applies to stud agreements that are handed in after this deadline. See www.europeanfalabellastudbook.com for more info.

PLEASE NOTE! If the stallion is 100 % pure-bred Falabella, but he is not registered with EFS, it is necessary that the stud holder also provides you with a copy of the DNA analysis certificate together with the stud agreement. It is the responsibility of the mare holder to send in this certificate.

Foal registration is only possible:

- # when stating your pedigree and a copy / scan of the BVI and the DNA analysis certificate of father & mother.
- # and sending tail or mane hairs for DNA research or the DNA analysis certificate of the foal concerned *.

Pay attention: **Send original to the EFS studbook secretariat within 6 weeks after the birth of the foal** by email to info@europeanfalabellastudbook.com or by mail to EFS Secretariaat (address see website). Members and non-members tariffs are listed on the EFS-website.

I would like to:

- register my foal with the EFS and let the EFS take care of the DNA analysis. I will send tail or moon hair along with this birth announcement.
- register my foal with the EFS and take care of the DNA analysis myself.
- apply for a Combibreed color test via the EFS at the same time.
- apply for a Combibreed Falabella color test via the EFS at the same time.
- at the same time apply for a dwarf gene test via the EFS.
- apply for another test via the EFS at the same time:

* It is also possible to have the DNA analysis done by Van Haeringen and to send this certificate along with the other data. Think of the set deadline of at least 6 weeks after birth.
